**PHILOSOPHY AND MISSION STATEMENT**

*We believe that every child is a special and unique gift from God. We participate in the educational process by offering quality school uniforms to families in our community with simplicity and service.*

Dear parents,

I wanted to update you on some changes being made for our upcoming 2017/2018 school year. My name is Anna Freeman and I will be the new After School Care Director. I am excited to take this on and hope to have a fun and successful year! My goal this year is to be in communication with the parents about after school care throughout the year. Many changes were already made this past year to improve our after school care program. I want to make it my goal to keep the parents informed and involved of any changes. Please sign up with our Remind group. This is how I will keep you "in the know" and it is so easy!

Please sign your child up for After School Care now if you know your child/children will be attending. This will just help me plan ahead, and of course keep you informed! I realize many of you do not know your child's practice schedule for sports, but please fill out a form when you do. We want to be safe and make sure we know where your children are at all times if they are with us. We cannot allow them to go off with a coach without your signature allowing it on specific days and times.

Feel free to contact me with any questions or concerns throughout the year!

Thank you,

Anna Freeman
